

Lincoln Center

August 15th, 2010

Dear Larry,

We would like to send our sincerest thank you in helping make the 40th season of Lincoln Center Out of Doors such a success. La Raza Latina was a highlight of the season! Being able to present world-class artists in a festival that is free to the public is such a privilege. Your special talent and professionalism made our jobs a great pleasure, and gave a large audience an incredibly memorable evening.

All the best,

Monumental!
What more can I say - a truly historic night. Thanks
